Wednesday Club 2019

For Visually Impaired People

All sessions take place in the

KIC (Knowledge and Information Centre) by main lifts A.

St Thomas' Hospital London SE1 7EH

2.15pm to 3.45pm

This is a timetable of informal get together to discuss how to cope with visual impairment. Each session consists of a chat from a member of a charitable organisation concerned with helping you to get to grips with various problems.
