

Information Fact Sheet

South East London Vision (SELVis) is a new registered charity supporting blind and partially sighted people in Bexley, Bromley, Greenwich, Lambeth, Lewisham and Southwark. We exist to ensure people living with sight loss in South East London can live independent lives and have access to high quality services when and where they need them.

Our aim is to improve quality of life and increase independence for every person we support, whether it is through our peer support groups, sight loss information and advice workshops, or social groups and activities.

Examples of current activities across the 6 Boroughs include:

- **Coffee Mornings**
- **Audio Book Club**
- **Peer support and Social Groups**
- **Monthly Socials**
- **Day trips (Museums, Theatre, Sporting events)**
- **Sight loss Information and advice sessions**

If you would like to find out more or come along to any of our activities or events, contact us at: info@selvis.org.uk or 0203 815 3660
