

'Let's Go Out'

February 2018

36th Edition

'Let's Go Out' is a regular newsletter to inform people with sight loss about accessible activities and events happening around London.

Acknowledgement: We are grateful to Service Users, the Vocaleyes website www.vocaleyes.co.uk and Metroblindsport.org for their postings and related text which enabled this newsletter.

Welcome.....

To the February issue of our newsletter which highlights cultural events and activities available this month – some are designed particularly to enable access for people with sight loss – while all of them will be accessible with a volunteer guide.

This is just a selection of what is available in and around London.

Please note that Let's Go Out is for information only and we have no control over the sale and allocation of tickets. All ticketing enquiries should be made to the venue concerned.

Please remember that you can also arrange Link Ups with volunteers for other events that take your fancy. Simply call 07773 582708 and someone will get back to you. (We have to reserve the right to decide if events are unsuitable for a Link Up volunteer, but this is very rare).

Just to let you know that we are now able to offer the newsletter in CD format again so if you would prefer a CD rather than a printed copy then please contact Courtney Nugent on 020 3761 3656 or at Courtney.nugent@pocklington-trust.org.uk

3.4 Cycling for the Visually Impaired

Merton Sports and Social Club For the Blind Tandem Cycling 2018!

Confidence building/practice sessions from **7.00pm** on **Tuesday evenings at the Guardian Centre**, preceding the club's weekly drop-in social at 8.00pm. (Apart from the second and fourth Tuesday of the month) training is available from 7.30pm to supervise turbo training for those who wish to improve their fitness. This is an opportunity to work out, warm up, then wind down and relax in the bar afterwards.

MSSC aims to organise **two club rides a month** – one on the **first Sunday** and one on the **third Saturday**, as follows:-

Week 1: a relatively long, more demanding ride to suit experienced cyclists

Week 3: a shorter, less demanding ride to suit less experienced cyclists.

Solo cyclists are also welcome on any of our club rides.

In order to spread the workload involved in organising cycling events, they are looking to form a team of volunteers to take a turn at helping to co-ordinate rides. The more volunteers, the lighter the load, so please let MSSC know if you would be prepared to be part of our team and help every so often.

The schedule of rides for **February – March** is as follows:-

- **Sunday 4th February**
- **Saturday 17th Feb**
- **Sunday 4th March**
- **Saturday 17th March**

There will also be a trip to Herne Hill Velodrome later in the year and a long, all day ride in the summer, possibly to the South coast and back.

If there is enough demand, we may also run midweek evening rides through the summer months.

For further information about any of the above or to register interest in a particular ride, either or if you wish to book in for a Tuesday training session, please find contact details below:
